

Farmer Producer Organisation (2022-23)

All four FPOs in Balasore and Nuapada district of Odisha got the registration number. FPOs have helped the small and marginal farmers in individual as well as community farming through the access to various inputs such as quality seeds, fertilizer, pesticides, organic manure, farm machinery etc. The farmers have started collective marketing of various commodities. FPOs have planned for taking new initiatives like – opening an exclusive outlet for SHG product, farm product and in millet production, value addition, processing, packaging and marketing.
